Section 5. Governing Laws and Policies

The ASL Academy Board has a responsibility to ensure that the Albuquerque Sign Language Academy cooperates in accordance with all laws and regulations applicable to the operation of a public charter school, and meets its commitments to its authorizer, the New Mexico Public Education Department, and to the community it serves, as reflected in its approved charter.

The ASL Academy and the Board shall conduct all of its activities in accordance with all applicable federal, state, and local laws and regulations as well as the terms and conditions of its charter. Governing council members will, as part of their council orientation program, familiarize themselves with the following key provisions of New Mexico laws:

Section 6. Conflict of Interest Policy

A. General Principles

- i. All Board members have a duty of loyalty and a duty of care towards the Albuquerque Sign Language Academy. It is the responsibility of all Governing Board members to conduct themselves in accordance with the highest standards of integrity, honesty, and fair dealing to preclude conflict between the interest of the Albuquerque Sign Language Academy and the personal interests of the Governing Board member.
- ii. Likewise, it is the responsibility of the school to conduct all its business and operations impartially in accordance with all laws and in conformity with the highest ethical and professional standards.
- iii. All hiring and other transactions imposing financial and/or legal obligations on the school shall be made with the best interests of the school as the foremost consideration.

The Board also recognizes that the ultimate success depends upon the active participation, cooperation and collaboration of parents, volunteers, employees, Governing Board members and students. Sometimes the best interests of the Albuquerque Sign Language Academy may involve the creation of relationships that might create an appearance of impropriety or potential for abuse of position, if not carefully evaluated by disinterested parties. The Board therefore has established this policy to guide Governing Board members in their actions or relationships, so that they will avoid the appearance of having their judgment or the performance of their duties compromised.

B. Conflict of Interest Definition

- i. A conflict of interest occurs whenever a Governing Board member permits the prospect of direct or indirect personal gain (or gain to a relative or Related Entity) to influence improperly his or her judgment or actions in the conduct of the Albuquerque Sign Language Academy.
- ii. It is not practical to specify every action that might be considered to raise a conflict of interest. Consequently, Board members should immediately disclose to the Board any circumstance that may give rise to the appearance of a conflict of interest. The following situations have the potential for being an actual conflict of interest and must be avoided unless the Board member has brought the issue before the Board for consideration and the Board voted to approve it in an open meeting:
 - a. Hiring a Governing Board member’s relative as an employee, whether full-time or part-time.

- b. Acquiring, leasing, selling any property, facilities, materials, or contract services (e.g., financial, legal, public relations, computer) under circumstances in which there is direct or indirect compensation to a Governing Board member, or his/her relative or a Related Entity of the member.
- c. Using confidential information acquired by virtue of their associations for their individual or another's private gain.
- d. Requesting or receiving and accepting a gift or loan for themselves or another that tends to influence them or appear to influence them in the discharge of their duties as Council members.
- e. Influencing or having the appearance of influencing business with suppliers, which results in the financial benefit to a Governing Council member, his or her relatives or a Related Entity.

C. Deliberations and Voting on Conflict Issues

- i. In order to avoid conflicts of interest and the appearance of impropriety, Board members shall not participate in open meeting or Closed Session deliberations or votes relating to the discipline of (i) himself or herself; (ii) any relative of the Board member; or (iii) any transaction between the Albuquerque Sign Language Academy and any Related Entity of the Governing Board member. "Closed Session" shall mean any portion of a Governing Board meeting that is properly closed to the public in accordance with the provisions of the Open Meetings Act.
- ii. The school administration shall not authorize (by approval of a Purchase Order or otherwise) or enter into any proposed transaction described in Paragraph B unless and until the transaction has first been evaluated and approved by the Governing Board. The Governing Board may, but shall not be obligated to, approve a proposed transaction (including the hiring of a Governing Board member's relative or any Related Entity, if the Board concludes, after review of all pertinent data, that:
 - a. The transaction is financially no less favorable to the school than would be available in an arm's length transaction between unrelated parties;
 - b. no Governing Board member will be in a position to influence decisions relating to the employment, supervision, compensation or discipline of a relative;
 - c. no Governing Board member will be in a position to influence decisions relating to any transaction between the Albuquerque Sign Language Academy and any Related Entity; and
 - d. the benefits to the Albuquerque Sign Language Academy outweighs any appearance of a conflict of interest.

D. Violation of Conflict of Interest Policy

- i. Upon discovery of a possible infraction of the established the Albuquerque Sign Language Academy conflict of interest polices, the discovering party is required to immediately notify the Governing Board Chairperson, school administration, and all Board Members. A Special Governing Board Meeting must be immediately scheduled to consider the matter.

- ii. In the event the Governing Council decides that a Albuquerque Sign Language Academy employee, Governing Board member, or volunteer has violated the conflict of interest rules or otherwise abused or attempted to abuse his or her position at the ASL Academy, the Board shall recommend appropriate action.

E. Transactions with Interested Council Members

- i. The Albuquerque Sign Language Academy shall not enter into any financial transaction with any Board member, any relative of a Board member, or any other person or entity in which the Board member or relative of the Board member has a direct or indirect financial interest unless during a public meeting:
 - a. the nature of the direct or indirect financial interest is fully disclosed to the Board;
 - b. the transaction is expressly approved by a majority of the Board members present at such meeting who have no direct or indirect personal financial interest in the transaction, provided a quorum of the full Board is present at such meeting.
- ii. A written contract or other written memorandum shall evidence all such interested transactions approved by the Board, and be reflected in Board Minutes. Each Board member shall be responsible for disclosing to the Board the existence of any such direct or indirect interest. Failure to make such disclosure shall be grounds for voiding the transaction, at the discretion of the Board.
- iii. Nothing in this procedure shall prevent the Albuquerque Sign Language Academy from paying compensation to a Board member for reasonable expenses incurred. All such compensation shall be paid in compliance with the New Mexico Per Diem and Mileage Act.

Section 7. Nepotism

The Board will not employ or approve the initial employment in any capacity of a person who is a Board member (unless the offer of employment is contingent upon such member's resignation from the Board), the spouse, father, father-in-law, mother, mother-in-law, son, son-in-law, daughter, or daughter-in-law, or sibling of any Board member. The Board shall carefully consider the potential impact on the integrity, efficiency, discipline and public perception in the employment of any person who is the parent or family member of a student or school employee.

is an officer or director; or (iii) is otherwise in a position to control the management or decision-making of such entity.

- B. Every Board member and every Albuquerque Sign Language Academy employee who is a parent or ward of an ASL Academy student shall inform his or her child that he or she is required to follow all rules, policies and procedures applicable to ASL Academy Charter School students, that he or she is not entitled to special treatment by virtue of the relationship with a Board member or employee, and that any attempt to seek such special treatment may result in disciplinary action.
- C. No individual board member will speak for or represent the entire board unless authorized by the majority of the board.

The positions of those trustees whose terms have expired shall be open to be filled by those members eligible to vote. Eligible voters shall be the parents or guardians of any children currently attending the school. The Nomination and Election process is as follows:

Section 13. Board and Committee Deliberations

- A. All Board members shall work collaboratively with each other, with the goal of achieving the Albuquerque Sign Language Academy's educational mission. The Board has been constituted so as to include a broad spectrum of experience and perspectives, and every Board member shall be afforded the opportunity to express his or her opinion in a professional manner about matters before the Board. Board members shall refrain from non-constructive or personality-based comments that do not advance the Albuquerque Sign Language Academy mission. Because the Board makes decisions as a deliberative body, it is expected that, except in extraordinary circumstances, Board members will voice their

opinions to other Board members about Board matters in the context of Board and/or committee meetings, rather than in private communications amongst Board members.

- B. Board members shall be expected to keep confidential any deliberations or discussions that take place in the closed session meetings. It is expected that Board members will raise concerns or share information about closed session meetings within the context of Board and/or other committee meetings with other members of the Board and appropriate staff members only. Section 14. Addressing the Board

- A. An individual may speak at a Board meeting on any item(s) that appears on the adopted agenda after being recognized by the Chairperson, or in his or her absence, the acting chair, of the Board. Minutes shall be approved at the next regularly scheduled meeting of the Board.

Section 18. Quorum

- A. A majority of the full number of Trustees shall constitute a quorum of the Board for the transaction of business. When a quorum is present, a majority of the Trustees present may take any action on behalf of the Board, except to the extent that a larger number is required by law, by the Charter, or by these Bylaws. Every act of a majority of the Trustees present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Trustees.
- B. The Board recognizes that Board members will occasionally attend social events, community functions, school activities or programs, athletic events or meetings of other groups or entities, or be present at local commercial establishments. In the event a quorum of the membership of the Board is present on such occasions, a violation of the bylaws and the Open Meetings Act does not occur so long as the board members do not discuss school business or prospective board actions as described in the bylaws. By adoption of this bylaw, each board member represents and agrees to abide by these limitations and not to engage in such discussions outside the context of a duly-called board meeting that complies with the Open Meetings Act.

Section 19. Vacancies

Any vacancy on the Board of Trustees, including a vacancy caused by an increase in the number of trustees, may be temporarily filled by a majority vote of the remaining Trustees to elect a person(s) to fill the vacancy(ies) until the next annual meeting of Trustees, at which time trustees so elected must be re-elected as specified in the Bylaws or step down from the Board as soon as his or her successor is duly elected and qualified.

A Trustee who vacated their Board position, whether voluntarily or involuntary, shall not be eligible for appointment or election to the Governing Board until the term for which he or she was originally elected or appointed has expired.

Section 20. Meeting Attendance

Trustees are expected to attend all Board meetings in person, or, if necessary, telephonically. If a Trustee anticipates that he or she will not be able to attend a meeting, the Board member shall notify the Chairperson or Secretary of the Board of his or her impending absence in advance of the meeting. If a Trustee, as a result of an emergency or illness, is unable to notify the Chairperson or designee of the Board in advance that he or she will be unable to attend a meeting, the Trustee shall notify the Board Chairperson or Secretary in a timely manner following the meeting of the reason for his or her absence. It shall be the duty of the Secretary of the Board to communicate with any trustee after such trustee's third absence to ascertain the trustee's interest in retaining Board membership. Failure to provide an adequate response may qualify as sufficient cause for removal from the Board of Trustees.

Section 21 . Policy Adoption

- A. Adoption of new policies or the revision or repeal of existing policies is solely the responsibility of the Governance Board. Proposals regarding policies may only originate with a Board member, Board advisors, or committees formed by the Board for the purpose of investigating and developing policy. Staff members, students, civic groups, parents or

other interested citizens may request that a Board member or a member of school administration sponsor a proposed policy.

- B. The Board will adhere to the following described procedure in considering and adopting policy proposals to ensure that such proposals are thoroughly examined before final action.
 - i. After review, the Governing Board will make such proposed policies available for public comment by staff members, students, civic groups, parents or other interested citizens, for a period of at least seven (7) days.
 - ii. Notice of such proposed policies shall be included in the Albuquerque Sign Language Academy newsletter, the school's website, and/or posted in a prominent location at the school.
 - iii. Upon request, the ASL Academy shall make copies of the proposed policies available to interested parties. Comments on the proposed policies must be submitted in writing to the Board Chairperson by the deadline specified by the Board. The public comment process shall apply to all policies proposed by the Board after the date these Bylaws are adopted by the Board.
 - iv. Following such public comment period, the Board shall consider any comments received and determine whether changes to the initial draft policies should be implemented. After such consideration by the Board, and adoption of any recommended changes, the Board shall present its final recommended policies or revisions.

Section 22. Recall of Elective Council Members

- A. If at any time the Board shall receive a recall petition with respect to any member serving in an Elective Position, signed by at least seventy-five percent the school community, the Board shall arrange for a recall election to be held within thirty (30) days thereafter.
- B. Constituents eligible to vote for such a position shall vote by ballot in such a recall election, and such member shall be recalled and removed from office if more than fifty percent (50) of the votes cast in such election are cast for removal.

Section 23. Representation by Individual Members

The Governing Board will not be bound by any statement or action on the part of any individual Governing Board member, unless the Governing Board, by majority vote in a properly convened meeting, delegates authority to that individual member to speak for or represent the entire Board. Unless acting pursuant to said express-delegated authority from the Board, no Board member shall undertake any individual action to implement any plan or action of the Governing Board. In the event a Governing Board member is assisting the school administration to implement school policies, programs or other directives of the school administration, the Governing Board member shall be considered a volunteer and have no special authority beyond that of a volunteer.
